

Reading Test

Print out in an A4 format

This is a reading test to find out which reading glasses strength is suitable.

How does it work?

- Start reading from the top down.
- Read to the sentence that is no longer pleasant to read.
- Look at what strength is written next to that text.
- Now try reading the test with corresponding prescription glasses

Read the text below at an approximately 35cm distance without reading glasses

- +3.0 Babsee sunglasses with reading part is not only practical
- +2.5 But also stylish, for men and women
- +2.0 No more hassle with two glasses
- +1.5 Go outside with one pair of glasses
- +1.0 Very handy and beautiful
- +0.0 Can you still read this? Lucky you! Babsee is also available without a reading area.
